PROCEEDINGS

2. The complains were admitted under Section 10 of the Establishment of the Office of the Ombudsman for the Province of Sindh Act, 1991 (amended up to date), subject to the submission of the original complaint duly signed and addressed to the Ombudsman Sindh, along with copies of their CNICs, and affidavits on Form "A." Therefore, the complainants were advised to fulfill the required formalities so that their complaints could be processed.

3. However, despite the issuance of reminders, the complainants neither visited the Regional Office Keamari/West to pursue their respective complaints nor completed the necessary formalities. Later, when contacted on their cell phones, they stated that they did not want any further proceedings in their respective cases and requested that the complaints be closed.

DECISION

4. From the above, it is obvious that the complainants have lost interest to pursue their cases any further. I, therefore, in exercise of powers vested in me under Section 10 (10) of the Establishment of the Office of the Ombudsman for the Province of Sindh Act, 1991 (amended up to date), do hereby close these complaints on account of non-prosecution by the complainants. Accordingly, the cases are disposed of and files consigned to record.

Given under my hand and seal of office.
