### **THE COMPLAINT:**

Mr. Munesh Kumar filed an online complaint on 14-07-2023 alleging that Mr. Karo Hamirani is operating a brick kiln directly in front of the Government Girls Elementary School, Verhar Village, District Mirpurkhas in contravention of environmental laws. He stated that although Mr. Karo Hamirani had earlier given a written undertaking to discontinue this activity but still the kiln remains functional. The complainant emphasized that emissions from the Kiln pose serious health risks to students as well as to the villagers. He, therefore, solicited intervention of the Provincial Ombudsman Sindh in this matter.

### **PROCEEDINGS:**

The complaint was admitted under Section 9(1) of Establishment of the Office of Ombudsman for the Province of Sindh Act, 1991 (amended up-to date), by condoning the delay and subject to fulfillment of submission of the original signed complaint addressed to the Provincial Ombudsman Sindh, a copy of CNIC, and an affidavit on Form 'A'. The Regional Incharge, SEPA, Regional Office Mirpurkhas through his report dated 11-06-2024 informed that earlier owner was given one month's time to shift the kiln and SEPA team has been deputed again to reassess the present status, and any violation, if found, shall be dealt with under the Sindh Environmental Protection Act – 2014.

4. The Deputy Director (Tech)/Regional Incharge, SEPA Regional Office Mirpurkhas, in his subsequent report dated 12-08-2024, stated that a field team visited the site and confirmed that the kiln unit was non-operational, reportedly closed about 10-15 days before inspection.
