**REQUEST FOR CONSTRUCTION OF THE  
BUILDING OF PRIMARY SCHOOL AT  
VILLAGE DEH DHORO, TALUKA  
MIRPURSAKRO.**

### **THE COMPLAINT:**

Mr. Qadir Bux Wariyo filed complaint dated 24.07.2017 stating that there is only one Primary School in his village Deh Dhoro, Union Council Sukpur, Taluka Mirpursakro, named GBPS Qadir Bux Wariyos. It imparts education as a single teacher and single room school since 2008. Currently, more than fifty pupils are enrolled in the school but they are not provided with sufficient space for sitting and for the reason that neither additional rooms are constructed nor additional teachers are appointed / posted to cater the requirements. He therefore sought intervention of this Institution.

### **PROCEEDINGS:**

2. The complaint was admitted and notice was issued. The Executive Engineer, Education Works Thatta in his initial report dated 25.01.2018 informed that his office had forwarded the Rough Cost Estimate for the construction of GBPS Qadir Bux Wariyo to the Chief Engineer Hyderabad but the said RCE didn't get approval of the competent authority.

3. The matter remained under extensive correspondence with the agency. In response, the Executive Engineer vide report dated 24.04.2024 informed about forwarding of the case to the Secretary School Education at Karachi through the office of the Chief Engineer Education Works, Hyderabad. The report states as soon the approval is received, the construction work of school building would be kicked off.

4. While updating with the subsequent development, the Director Planning Development & Research vide his report dated 31.07.2025 reported that due to financial crunch the Sindh Government had not approved / allowed inclusion of fresh scheme in Annual Development Program (ADP) for the year 2024-25 & 2025-26. Therefore, the construction of new school building shall be considered in the Annual Development Scheme 2026-2027 subject to availability of financial resources.

(2)

**FINDINGS:**

5. I have examined the case and found that the construction of school building has been delayed/ pending for over 7 to 8 years, and has not been included in Annual Development Program (ADP). The situation portrays a sorrowful state of affairs on the part of School Education Department, which fails to provide proper educational facility to the village.

**DECISION:**

6. I, therefore, in exercise of powers vested in me under section 11 of the Establishment of the Office of Ombudsman for the Province of Sindh Act, 1991, direct the Secretary School Education & Literacy Department, Government of Sindh to ~~and~~ ensure inclusion of the scheme in up-coming Annual Development Program 2026-2027, so that the children of the subject village may be imparted education at a proper facility.

7. The complaint stands disposed of with the above directives.
