### THE COMPLAINT

Mr. Ghulam Rabbani filed a complaint on 23.09.2024 against the SCARP Irrigation stating therein that he is a landlord having agricultural land in Taluka Kandiaro and pays land revenue assessments, abyana and other land taxes. The Irrigation Department, SCARP had installed Tubewells on his land and on the land of other khatedars in the year 1965/66. However, drainage cess charged at the rate of Rs.16/- per acre till recently, has been increased to Rs.100/- per acre whereas most of the Tubewells have become non-operational with the passage of time. The complainant and other khatedars approached the concerned department multiple times in this connection but in vain. The SCARP Officers in collusion with SEPCO also charge bills in respect of maintenance of tubewells, electricity charges and fuel charges. He, therefore, solicited intervention of this Institution.
