### **COMPLAINT**

Mr. Muhammad Pervez filed a complaint on 17.12.2024 against SI Abdul Razzak, alleging his dubious and facilitating role in the investigation of Case No.1352/2024 registered at PS KIA, AVLC Korangi. The complainant accused the SI of deliberately delaying the investigation, failing to recover the snatched motorbike and other articles, and acting as a facilitator of the accused persons. He further alleged that the SI had even asked him to withdraw from the case. He therefore requested that action be taken against SI Abdul Razzak and that investigation of the case be transferred to another IO.

### **PROCEEDINGS**

2. The matter was referred to the SSP, Anti-Vehicle Lifting Cell (AVLC), CIA and SSP, District Korangi for report. The SSP, AVLC, CIA, vide letter dated 27.05.2025, reported that initially the investigation of Case No.1352/2024 was entrusted to SI Abdul Razzak of AVLC, Korangi Division, who, after conducting investigation, disposed of the case under A-Class (untraced).
3. Subsequently, on the request of the complainant, the Addl. IGP, Karachi, constituted a committee to enquire into the matter. In consequence, the investigation was withdrawn from SI Abdul Razzak and entrusted to PI Faheem of Airport P.S for re-investigation.
4. PI Faheem Irshaad (Investigation), P.S Airport, vide his reply received on 30.06.2025, stated that the investigation was handed over to him on 03.02.2025. He confirmed that all possible efforts were being made to trace out the accused and recover the snatched property, but so far the culprits could not be arrested. He added that efforts were still in progress.

## FINDINGS

5. It is clear that SI Abdul Razzak, the original IO, prematurely disposed of the case under A-Class despite the complainant's insistence on identification of the culprits and further investigation. Such a hasty disposal indicates negligence, if not deliberate avoidance of due process.
6. On the complainant's request, the matter was re-opened and the investigation re-assigned to another IO, which itself reflects lack of confidence in the fairness of the earlier investigation. Although the new IO has yet to trace the culprits or recover the property, the case is now being pursued.

## DECISION

*Given under my hand and seal of office.*
