Subject	:	<b><u>ALLEGED INACTION OF POLICE ON THE COMPLAINT AGAINST PARVEZ MASIHK AND OTHERS WHO ILLEGALLY DISPOSSESSED THE COMPLAINANT OF HIS HOUSE.</u></b>

### COMPLAINT

Mr. Ghulam Sarwar Bhatti filed a complaint against police officials of P.S Zaman Town alleging inaction on his complaints against Parvez Masih and others, who had allegedly dispossessed him of his house and managed documents in their favour.

### PROCEEDINGS

2. The matter was referred to the SHO, P.S Zaman Town, for report. In response, the SHO, vide letter dated: 22.06.2025, reported that as per enquiry conducted by ASI Shahid Memon, all accused persons as well as the complainant's family members were called and their statements were recorded. The enquiry revealed that the complainant had contracted a second marriage in 2004 and left his first wife alongwith her children. Later, after the demise of his second wife, the complainant returned to his first wife. The report concluded that the matter was essentially a family dispute.
3. Subsequently, the complainant appeared in this office on 24.06.2025 alongwith his wife, sons and the accused persons. He informed that his family members had assured to pay Rs.5,000/- per month to him and his wife to support their needs. He also informed that the accused persons had further assured to purchase a house in his name in replacement of the already sold house. He therefore requested that the matter be treated as amicably settled and disposed of.

## **FINDINGS**

4. The record shows that although the complainant initially alleged police inaction, the matter turned out to be a domestic and family dispute rather than an issue of illegal dispossession through external actors. With the intervention of this office, both sides appeared and reached an amicable settlement, whereby the complainant was assured of financial support and a replacement house. Since the grievance has been resolved to the satisfaction of the complainant, further proceedings are not warranted. No element of maladministration on the part of the police has been established.

## **DECISION**

5. In view of the above, the complaint is disposed of as settled amicably between the parties.
