

DECISION

Complaint No. : POS/5381/2025/86/KHS

Name and address of the complainant : Mr. Meer Zafarullah Jamali C/o. SSP City Office, Near Baghdadi, Lyari, Karachi.

Name of the Agency Complained against : Irrigation Department

Name & Designation of Investigating Officer : Syed Maqsood Haider, Regional Director (South) Karachi.

Vetted by : Rehana G. Ali Memon, Advisor-II.

Subject :

COMPLAINT REGARDING NON-SUPPLY OF IRRIGATION WATER AT THE TAIL OF GANDHAKA LEFT MINOR DUE TO ILLEGAL PIPE CONNECTIONS BY THE IRRIGATION DEPARTMENT.

THE COMPLAINT:

Mr. Meer Zafarullah Jamali filed a complaint on 12-08-2025 stating that he owns agricultural land at the tail of Gandakha Left Minor, Water Course No.8L, where four illegal pipe connections have been installed in connivance with the concerned officials, resulting in non supply of irrigation water to his land being at tail end. He stated that despite approaching the Superintendent Engineer, Irrigation Department, Larkana, no action was taken. He further contended that water is diverted at night by manipulating the watercourse, causing intermittent and grossly insufficient supply to his branch. He claimed that photographs and video were shared with the concerned Engineer; but the illegal connections were not removed. Due to continued non-supply of water, his agricultural land is drying up. He also reported threats extended by a Baildar to his brother to prevent access to the watercourse. He solicited intervention of the Provincial Ombudsman Sindh in the matter.

PROCEEDINGS:

2. After admission of complaint by condoning delay under Section 10 of the Establishment of the Office of Ombudsman for the Province of Sindh Act, 1991 (amended up to date), as well as receiving mandatory Affidavit on Form "A" and other relevant documents, report was called from the Agency. In response, the Executive Engineer, Saifullah Magsi Branch Division Shahdadt Kot vide letter dated 21-10-2025 stated that all four illegal pipe connections installed along Gandakha Left Minor had been removed. It was further stated that, according to official irrigation records, the complainant does not own agricultural land at Water Course No.8-L Tail; however, land owned by his father at the said watercourse was found to have been cultivated beyond the permissible limits through an oversized and altered watercourse, resulting in withdrawal of water in excess of the lawful share. Further it was cultivating more land than the allowable limit. The Agency also clarified that any uncultivated land was due to soil salinity and not due to shortage of irrigation water.

3. The agency's report was handed over to the complainant in a hearing held on 22.10.2025 who on 03.11.2026 reported that the land belongs to his father which has not been transferred to him but it is in his possession. He alleged that others are also using excess water through oversized watercourse.

4. After that one more hearing held but not attended by anyone and the complainant on 31.12.2025 conveyed his full satisfaction, acknowledging that the timely and diligent intervention of the Ombudsman's office had effectively resolved his grievance.

Cont'd on P/2...

FINDINGS:

5. I have perused the case file and found that:

- a. In view of the facts stated above, the complainant's grievance has been resolved, and no further intervention is required.
- b. The Irrigation Department should take action as per law against the complainant as well as other landholders for drawing excess water through the oversized watercourse.

DECISION:

6. In view of the above, I, in exercise of the powers vested in me under section 11 of the Establishment of the Office of Ombudsman for the Province of Sindh Act 1991 (amended upto date), hereby dispose of the complaint as redressed and direct the Executive Engineer, Saifullah Magsi Branch Division, Shahdaskot to take action as per law against the complainant and others for drawing excess water through the oversized watercourse and report compliance to the undersigned inside 30 days.

Given under my hand and seal of the office.
