COMPLAINT

Mr. Javed Khan, filed a complaint on 23.09.2025, stating that he is a lawful water tanker operator running vehicles bearing Registration Nos. TKV-865 and Y-0203 (now JQ-2676) from Landhi Hydrant. He alleged that his tankers JQ-2676 and TKV-865 had been arbitrarily restricted to only two trips per day, while other tankers were allegedly allowed unrestricted trips, contrary to KW&SC rules. He further alleged that unauthorized tankers were being facilitated, adversely affecting his business and livelihood. Being aggrieved, he sought the intervention of this Institution.

In response, the Engineer Incharge, Landhi-I, Future Hydrant, KW&SC vide letter dated: 31.10.2025 reported that during peak summer months, tanker trips are rationalized due to high demand and limited water availability, and commercial tankers are allocated fewer trips as per policy. 3. Subsequently, the complainant vide letter dated: 04.11.2025 informed that due to the intervention of this Institution, his vehicles were being allowed 3-4 trips on a daily basis. He expressed appreciation and satisfaction.
