Subject :

COMPLAINT REGARDING UNJUST CANCELLATION OF ADMISSION OF COMPLAINANT'S SON IN MATERIAL ENGINEERING, NED UNIVERSITY WHO WAS UNABLE TO ATTEND THE CLASSES DUE TO MEDICAL ISSUES.

COMPLAINT

Mr. Mohammad Hanif filed this complaint on 16.10.2025, stating that the admission of his son, Mr. Muhammad Huzaifa, in the BE (Materials Engineering) program at NED University was unjustly cancelled. He contended that his son could not attend classes due to medical issues and that, despite approaching the concerned authorities for redressal, no response was received. He, therefore, sought the intervention of this Institution for the redressal of his grievance.

PROCEEDINGS

02. The complaint was admitted under Section 10 of the Establishment of the Office of the Ombudsman for the Province of Sindh Act, 1991 (as amended up to date), by condoning the delay and after receipt of the mandatory affidavit on Form "A" along with other relevant documents.

03. The matter was taken up with the Agency vide letter dated 04.11.2025. In response, the Registrar, NED University, reported that Mr. Muhammad Huzaifa, son of the complainant, was provisionally offered admission to the BE (Materials Engineering) program on 19.08.2024, and a fee voucher valid for payment on the same day was issued. However, he failed to submit proof of payment within the stipulated time; consequently, the provisional admission lapsed and no admission letter was issued.

04. In October 2024, Mr. Muhammad Huzaifa and his father requested restoration of admission on medical grounds. The request was declined due to non-payment of fees within the prescribed deadline and the inability to fulfill the mandatory 75% attendance requirement. He was advised to apply afresh in the next academic year.

(Continued at P/2)

05. The Agency clarified that the claim of cancellation of admission was incorrect, as Mr. Muhammad Huzaifa's admission was never finalized due to non-payment of mandatory fees. No request for extension of time was made before the deadline.

06. A hearing was held on 12.01.2026, which was attended by both parties. During the hearing, the complainant admitted that the admission fee was not paid within the stipulated time due to medical issues. The Agency's representative stated that after collecting the fee voucher, Mr. Muhammad Huzaifa left the campus and failed to return with the bank-stamped voucher as proof of payment. Since the mandatory fee was not paid within the prescribed deadline, the provisional admission stood void ab initio and no admission letter was issued.

FINDINGS

07. In light of the facts on record and the applicable rules, it is concluded that Mr. Muhammad Huzaifa was only provisionally offered admission, which lapsed automatically due to non-payment of the prescribed fee within the stipulated time. As the admission was never finalized, the allegation of cancellation is unfounded, and no maladministration on the part of NED University is established.

DECISION

08. The complaint stand disposed of as rejected and consigned to record accordingly.
