Subject : **ALLEGED INACTION BY THE AUTHORITIES ON COMPLAINTS REGARDING ENCROACHMENT ON THE PASSAGE OF GOVERNMENT GIRLS MIDDLE SCHOOL, SAMI.**

COMPLAINT

Dr. Nazeer Ahmed Khokhar filed a complaint on 10.05.2023 alleging that despite submitting applications to the Assistant Commissioner, Sobhodero and the Deputy Commissioner, Khairpur Mir's against land grabbers who had encroached upon the passage and old building of Government Girls Middle School, Sami, no action had been taken. He alleged that this encroachment was causing hardship to students and the local community, and therefore sought intervention of this Institution.

PROCEEDINGS

02. The complaint was admitted under section 10 of the Establishment of the Office of Ombudsman for the Province of Sindh Act, 1991 (amended up to date), by condoning the delay in filing it, subject to submission of an Affidavit on Form "A" and a copy of the CNIC.

03. The matter was taken up with the Assistant Commissioner and the Taluka Education Officer (ES&HS), Taluka Sobhodero on 12.06.2023 seeking comments. The complainant was simultaneously advised to complete codal formalities. In response, the Taluka Education Officer (ES&HS) Female, Sobhodero, reported on 04.09.2023 that the matter pertained to the Education Works and Revenue Departments.

04. On 06.12.2024, the Assistant Commissioner, Sobhodero submitted a report stating that the Government Girls Middle School, Sami has two accessible paths, both being used by students. He further reported that a vacant plot outside the school premises is *sikni* land, under possession of Mallah and Siyal communities. A wall previously raised near the school had been removed to ensure unobstructed access for students.

(Continued at P/2)

05. On 09.10.2025, the Investigating Officer visited and inspected the site along with the Assistant Commissioner, TEO Female (ES&HS), in presence of the Head Mistress, and the complainant. During inspection, no encroachment on the passage of Government Girls Middle School, Sami was found. Both the Head Mistress and the TEO Female confirmed that no Government school building, as alleged, was under illegal occupation. They described the complaint as baseless, false, and irrelevant to the actual situation. However, they stated that in the past, occupiers of the open space located on the north-west side of the school had started construction and had raised a wall. This wall was subsequently removed with the intervention of Senator Syed Kazim Hussain Shah Lakyari and village elders, who resolved to reserve an 8-foot-wide street as a passage for female students through the said plot.

FINDINGS

06. The allegations made by the complainant regarding illegal occupation obstruction of the passage to Government Girls Middle School, Sami and illegal occupation of the old school building were found to be incorrect. Both the TEO (ES&HS) and the Head Mistress categorically refuted the allegations, terming them baseless and inconsistent with the actual ground situation.

DECISION

07. In view of the above facts and findings, the complaint is hereby **disposed of** and consigned to record.
