Subject : **ALLEGED BLOCKAGE AND OVERFLOW OF SEWERAGE LINES AND FAILURE OF KW&SC TO CARRY OUT REGULAR CLEANING IN THE COMPLAINANT'S AREA.**

1. COMPLAINT:

Mr. Jamal Khan, in his complaint dated 21-02-2024, stated that the sewerage line in his area had been blocked, resulting in overflowing sewage, and that KW&SC had failed to carry out regular cleaning of the sewerage lines. He further stated that he contacted the concerned authorities several times, but no action was taken to resolve the matter. He, therefore, sought the intervention of the office of Ombudsman for the resolution of his grievance.

2. PROCEEDINGS:

Report was called from the Agency. The Executive Engineer, Saddar Town (Sewerage), KW&SC, vide report dated 15-08-2024, stated that they contacted the complainant, carried out cleaning of the sewerage lines and manholes, and found no overflow of sewerage on the street. The complainant, vide his rejoinder dated 13-09-2024, contested the agency's claim and stated that the problem remained unresolved. The Executive Engineer again submitted a report dated 16-06-2025, stating that the matter had been resolved. The complainant, vide letter dated 18-07-2025, informed that the issue had indeed been resolved, but only after the residents of the area took the initiative themselves to clean all the affected sewerage lines at their own expense. He, therefore, requested closure of his case.

3. FINDINGS:

The case file shows that the complainant raised the issue of sewerage line blockage, overflow, and lack of regular cleaning by KW&SC. The agency informed that the issue was resolved. However, the complainant disputed this. He claimed that the residents made efforts and bore the expenses to get the problems resolved.

5. DECISION:

In view of the above and in exercise of powers conferred upon me Under Section 11 of the Establishment of the Office of Ombudsman for the Province of Sindh Act, 1991, I hereby direct the Managing Director, KW&SC, to make sure that sewerage lines in the areas are regularly inspected and cleaned to prevent future issues. Additionally, it must be ensured that residents who have paid their bills are not left to cater for themselves for essential municipal services. A report detailing these inspections and cleanings shall be submitted within 90 days hereof.
