Subject :- **TRAFFIC JAM ISSUES IN FRONT OF REMMCO TOWER, TIPU SULTAN ROAD, DUE TO ALLEGED TRIPLE PARKING BY VALET STAFF OF DIFFERENT RESTAURANTS.**

THE COMPLAINT

Mr. Nadir Sikandar Ismail in his complaint dated 07.05.2025 stated that they are residents of Remmco Towers, located on Main Tipu Sultan Road, directly opposite Habitt Store. He stated that they are facing daily Traffic Jam due to illegal parking, which has become a source of constant inconvenience for them. The road in front of their building is frequently blocked due to valet parking operations of nearby restaurants, particularly *Xander, Chop Chop Wok, Nando's, Bella Vita, Cocochan, and Costa Coffee*. The complainant stated that despite repeated efforts to resolve this issue, including group discussions with the restaurant owners for a peaceful solution, no positive outcome has been achieved. The valet staff often park vehicles across up to three lanes of the road, causing severe traffic congestion. At times, it takes them up to 25 minutes just to exit from their building premises. The situation becomes even more dangerous during emergencies, as there is no clear passage for vehicles to move through the long queue of vehicles along the entire stretch of the road, leading to complete disorder and distress. All the residents of their building, complainant added, were enduring such hardship on a daily basis, without respite from any government agency. He, therefore, solicited intervention of this office in the matter.

PROCEEDINGS

2. After admission of complaint under Section 10 of the Establishment of the office of Ombudsman for the Province of Sindh Act, 1991, (amended up to date), as well as after receiving mandatory Affidavit on Form "A" and other relevant documents, report was called from the Agency. In response Deputy Inspector General of Police, Traffic, Karachi vide letter dated 12.06.2025 stated that the subject complaint was forwarded to the Superintendent of Police, Traffic, District East, Karachi under letter dated 04.06.2025 with the directions to take legal action against illegal parking of vehicles as pointed out by the complainant at Tipu Sultan Road. As per report of SP Traffic, District East, the DSP Traffic, Sub-Division Ferozabad has taken action and directed the

area traffic police of Sub-Division Ferozabad, against illegal double/triple parking in coordination with the complainant. The report added that additional traffic police have been deployed to enforce prohibition imposed at designated places, where "No Parking" boards have also been affixed. The DSP/Traffic further reported that all traffic staff of his Sub-Division has been directed to remain alert and vigilant so that as and when any vehicle is seen/noticed illegally parked, strict legal action is taken against the violators.

3. The complainant when contacted to get his input on the Agency's report, expressed his dissatisfaction. Accordingly, the matter was again taken up with the Agency. In response the Deputy Superintendent of Police, Traffic-III, Ferozabad Sub-Division, District East, Karachi vide letter dated 14.01.2026 reported that he along with S.O Ferozabad Traffic Section visited area many times as well as met with complainant Mr. Nadir Sikander, it was observed that the area has become heavily commercial, with the opening up of several Hotels, Restaurants, Bar.BQs and visited by customers all day and night and particularly on weekends converting the place as a busy food street. The Traffic Police is therefore deployed with additional staff to handle the rush in two shifts to keep control upon the flow of traffic as well as prevent against double parking.

FINDING

4. The area having been visited by the Investigation Officer as well observed that the entry/Exit of Remco Tower is situated in the side road of Main Tipu Sultan Road, where Traffic Police have made arrangements against any valet parking to keep the access clear. As regards the vehicular traffic on main Tipu Sultan road, especially due to many food outlets frequented by customers, the Traffic Police have taken necessary measures to address the issue by deploying additional staff, installing "No Parking" signboards, and initiating action against illegal parking; the Agency is required to ensure continued monitoring and strict enforcement against illegal parking by valet staff so as to facilitate smooth traffic flow and minimize inconvenience to the residents.

DECISION

5. In view of the above, the Deputy Inspector General of Police, Traffic, Karachi is directed to issue necessary directives to the concerned Superintendent of Police, Traffic, Karachi East Zone and Deputy Superintendent of Police, (Traffic), Tipu Sultan Section, Karachi to maintain strict vigilance and ensure timely action against the parking violations. A report of action taken need be submitted in 15 days from the date of this order. Complaint is accordingly disposed of.
