**ALLEGED SUPPLY OF CONTAMINATED WATER IN
AREA OF THE COMPLAINANT DUE TO DAMAGED
WATER PIPELINES.**

COMPLAINT

Haji Muhammad Farooque Shaikh filed a complaint dated 02.08.2023 wherein he stated that contaminated water is being supplied to the area of Babran Ka Pir Market, Hyderabad due to leakage and mixing of sewerage water from damaged pipelines. Despite repeated complaints, the agency has failed to resolve their problem. Aggrieved by that, he solicited intervention of this Institution.

PROCEEDINGS

2. The case was admitted for investigation under Section 10(3) of the Establishment of the Office of Ombudsman for the Province of Sindh Act, 1991 (amended upto date) subject to submission of mandatory documents and by condoning the delay.

3. This office issued a notice vide letter dated 13.09.2023 to the Executive Engineer, City Water Supply Division, WASA, HDA, Hyderabad for report, followed by a reminder. The Assistant Executive Engineer, HW&SC, Hyderabad informed vide letter dated 04.10.2024 that the issue has been temporarily addressed by repairing the damaged water supply line. The agency proposed of laying a 12-inch dia PE pipeline from Bell Khana Pumping Station to Memon Water Booster for supply of clean water to the area of Babran ka pir market.

4. The case was heard on 17.02.2026, attended by the XEN, SDO and the complainant where the agency undertook to inspect the site along with its technical team in order to resolve the problem. Subsequently, the Focal Person of HW&SC attended hearing on 13.04.2026 who informed that the area was visited by the XEN along-with the complainant. He assured that a 4 inch dia water supply line of 40 running feet has been proposed to be laid within few days in order to resolve the grievance of the complainant. The Executive Engineer, Water Supply City Division assured that the proposed work will be completed within 10 days.
