THE STREET OF THE COMPLAINANT**

COMPLAINT:

Mr. Munzir Sharif filed a complaint which was received in this office on 30.01.2025. The complaint was admitted subject to submission of requisite documents, including copies of CNIC and affidavit on Form "A", by condoning the delay.

The complainant stated that the concerned town municipal services are not functioning properly and sewerage water remains accumulated in the street without being cleaned. He further stated that the street has not been renovated and stagnant water is not removed from the area.

PROCEEDINGS:

A letter was issued to the complainant on 24.02.2025 for submission of the requisite documents, followed by Reminder-I dated 14.04.2025, Reminder-II dated 28.04.2025, and final notice dated 27.05.2025; however, the complainant failed to submit the required documents.

Subsequently, telephonic contact was made from this office to ascertain whether the complainant was interested in pursuing his case; however, the complainant stated that he had left the premises and requested closure of the case.
