COMPLAINT

Syed Sameer Muzaffar lodged a complaint on 25.01.2023 regarding persistent non-supply of water for several years to his house No. A-284, Sector 11-B, North Karachi and surrounding locality. He stated that despite making repeated complaint to the concerned authorities, the problem remained unresolved. He, therefore, sought the intervention of this Institution for redressal of his grievance.

PROCEEDINGS

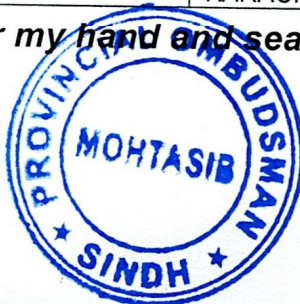

2. The complaint was examined and admitted under Section 10 of the Establishment of the Office of Ombudsman for the Province of Sindh Act, 1991 (as amended in 2020) after condonation of delay and was referred to the Agency submission of its report.
3. Pursuant to several official letters and reminders from this office, the Executive Engineer (Water), Karachi Water & Sewerage Corporation (KW&SC), New Karachi Division submitted a report dated 31.07.2024. He stated that the faulty system had been replaced. As a result, water supply had been restored to the affected area.
4. The Agency's report was forwarded to the complainant for rejoinder followed by two reminders but he did not respond. This indicates that after resolution the problem he lost interest and thus did not submit any reply. Therefore, it is inferred that after resolution of the problem the complainant had lost interest in pursuing the matter further.
