THE COMPLAINT:

Mr. Shakeel Ahmed filed a complaint dated 18.03.2024 wherein he stated that C.C road was constructed by M.C Nawabshah with a level which is higher than the adjacent graveyard. He also alleged that a hand pump was removed and sold out by the contractor and concerned Agency officials. In this regard, he approached the Chief Municipal Officer, Nawabshah but to no avail. Aggrieved by that, he solicited intervention of this Institution.

3. This office issued notice to the complainant for submission of requisite vide letter dated 23.04.2024 followed by multiple reminders, but no response was received from him.
4. As the matter is of public interest, the site was visited. During the visit it was observed that cement concrete (C.C) road had been constructed over various pathways in the graveyard. Earth had been dumped over portions of pathways to facilitate the leveling equal to graves. Additionally, four hand pumps were available inside the graveyard.
