**COMPLAINT OF MALTREATMENT BY
POLICE OFFICIALS OF P.S. MAURIPUR
INSTEAD OF ATTENDING TO THE
GRIEVANCE OF THE COMPLAINANT.**

THE COMPLAINT

Mr. Muhammad Ishaq Shah, in his complaint dated 15.04.2025, stated that he earns his livelihood by driving a rented vehicle through the Indrive service. On 18.03.2025, while driving, he met an accident with one Khurram, who allegedly overtook from the wrong side and caused damage of about Rs. 400,000/- to his vehicle. He immediately informed Police Helpline 15, but before arrival of police, Khurram called another person (Shafique), both of whom abused and assaulted complainant and attempted to flee. Complainant stated that while trying to stop them from fleeing, he was physically attacked and sustained injuries to his eye and other parts of the body, whereas one Shafique also received injuries. He recorded video as evidence of the incident. Upon arrival, the police shifted all parties to Mauripur, Police Station, where the SHO, Mr. Shabir Hussain, allegedly assaulted complainant and kept him in illegal custody for about 10-12 hours, and forcibly obtained his signature on a false compromise document after taking a bribe of Rs. 40,000/-. He stated that despite lodging complaint with higher police authorities, he failed to get any response. He therefore, solicited intervention of this office in the matter.

PROCEEDINGS

2. After admission of complaint by condoning delay under Section 10 of the Establishment of the Office of Ombudsman for the Province of Sindh Act, 1991, (amended up to date), as well as after receiving mandatory Affidavit on Form "A" and other relevant documents, report was called from the Agency. In response the Station House Officer, Mauripur, P.S. District Keamari, Karachi, vide letter dated 12.05.2025, stated that the matter had already been examined by SIP Dildar Khan, who verified the relevant police record and filed a detailed report before the Court on 27.01.2025. As per the report, after the accident both parties exchanged harsh words, which led to a scuffle. Subsequently, both were brought to Mauripur Police Station, where they reportedly resolved the issue amicably through a written compromise. It was further mentioned that the matter had also been inquired into by the SPDO Mauripur, and a show-cause notice had also been issued to SIP Dildar Khan. The report added that the complainant had filed a case in the court of ADJ-IV (West) Karachi, which too was dismissed by the Honourable Court. The Agency added that the complainant had been submitting repeated applications before different forums to exert pressure on the police despite failing to substantiate his allegations.

3. The complainant in his rejoinder dated 21.08.2025 refuted the Agency's version as false and declared it an attempt to protect SHO Shabir Hussain. He maintained that he has four civilian witnesses and one police witness to support his account, alleging that during an earlier enquiry the said police official had even returned the extorted Rs. 40,000/- and again tried to compel him into an unfair compromise. He reiterated that the accident occurred due to the other party's negligence, and that instead of registering his FIR, the SHO physically assaulted him, kept him in illegal custody for about 12 hours, and coerced complainants' relatives into signing a fabricated compromise prepared on a blank paper, in which the actual accused's name (Khurram) was replaced with another person.

FINDING

4. I have examined the case file, perused correspondence, reports, rejoinders etc, and observed that:
- i. The Agency confirmed that an enquiry had already been conducted by SIP Dildar Khan, and a detailed report was submitted before the Court on 27.01.2025, showing that both parties had a dispute after the accident and later settled the matter through a written compromise at Mauripur Police Station.
 - ii. The SPDO Mauripur also enquired the matter upon directives of SSP Kaemari, and resultantly issued a show-cause notice to the enquiry officer, while the complainant's petition No. 328/2025 was dismissed by the learned ADJ-IV (West), Karachi.
 - iii. The record indicates that the matter has already been examined and disposed of by competent authorities, and no fresh evidence has emerged warranting further intervention at this stage.

DECISION

5. In view of above, the complaint stands disposed of as rejected.
