Subject :- **ALLEGED INACTION ON APPLICATION SUBMITTED FOR CONSTRUCTION OF ROAD OR C.C TOPPING IN THE AREA OF THE COMPLAINANT.**

THE COMPLAINT

Mr. Shah Nawaz Rajput, resident of H No. 85, 86, Ward No. 24, U.C. 6, Taj Colony, Nawabshah, District Shaheed Benazirabad (S.B.A.), filed the complaint of alleged failure of the Municipal Committee, Nawabshah and its refusal to undertake or complete the approved work for the construction or CC topping of the street near complainant's residence. He stated that despite multiple applications and personal requests made to the concerned authorities, such work was not taken up. The complainant requested the intervention of this office to get redressal of his grievance.

PROCEEDINGS

2. After admission of the complaint by condoning the delay under Section 10 of the Establishment of the Office of Ombudsman for the Province of Sindh Act, 1991 (as amended up to date), and after receiving the mandatory Affidavit on Form "A" along with other relevant documents, report was called from the Agency (Municipal Committee, Nawabshah). The Agency's initial response (dated 25.03.2022) acknowledged the site visit and the estimated cost of Rs. 2.5 Million but cited a critical shortage of funds and institutional issues (salary/sanitation issues) as impediments to execution. During subsequent hearings, including the one held on 14 March 2024, the Agency's representative (Superintending Engineer) informed that the previous incomplete work was carried out by the Highway Division under the District Development Committee and now the Municipal Committee was trying to execute the remaining work. In the subsequent hearing held on 01.08.2024, the Agency again submitted the same excuse of non-availability of funds. However, it assured that work of fixing and laying paver blocks in complainant street will be taken up and completed soon. Upon such assurance the complainant expressed satisfaction.

FINDINGS

3. The Agency has acknowledged the necessity of the street construction/CC topping work. It encountered difficulty to execute the work, due to non-availability of funds. However, it assured to overcome such impediment and complete the remaining works of fixing paver blocks in the subject street.

DECISION

4. In view of above the complaint stands redressed and file consigned to record.
