Subject : **ALLEGED DELAY IN ALLOTMENT OF OFFICIAL ACCOMMODATION AS EARLIER ALLOTTED QUARTER HAS BEEN PARTIALLY DEMOLISHED BY KDA AND IS NOT IN HABITABLE CONDITION.**

### **COMPLAINT**

Mr. Jameel Ahmed filed a complaint stating that he had been allotted an official quarter by the Karachi Water & Sewerage Corporation (KW&SC) in Korangi Industrial Area, where he was residing with his family. Subsequently, a portion of the said quarter was demolished by the Karachi Development Authority (KDA), due to which the underground tank, washroom, and store were damaged, rendering the accommodation unfit for habitation. The complainant approached the KW&SC authorities for re-allotment of another quarter; however, no action has been taken so far.

### **PROCEEDINGS**

2. The Director (Administration), KW&SC, vide letter dated 12.09.2025, reported that the complainant had been allotted Quarter No.G-6, at PS-II, Korangi KW&SC Staff Colony. It was further informed that the said quarter was partially damaged due to a land dispute between KDA and a neighbouring factory, and that the complainant is still residing in the same quarter. The report also mentioned that at present, no alternative quarter is available; however, as soon as any quarter is vacated, the same shall be allotted to the complainant.

### **FINDINGS**

3. The record indicates that the complainant's allotted quarter has indeed been partially demolished, affecting essential facilities such as the washroom, underground tank, and store, thereby making the accommodation partially uninhabitable. Although KW&SC has acknowledged the situation, no immediate remedial action has been taken to provide alternative accommodation or to repair the damaged quarter.
4. The contention of KW&SC that no other quarter is presently available does not absolve it of the responsibility to ensure that its employee is provided with safe and habitable official accommodation, particularly when the damage has occurred due to actions beyond the complainant's control.

5. Moreover, if the demolition was carried out by KDA, the KW&SC should have taken up the matter with KDA to arrange for necessary repairs to the affected portion of the quarter, especially since the complainant had duly reported the matter to KW&SC authorities.

**DECISION**

6. In view of the foregoing, I in exercise of powers vested in me under Section 11 of the Establishment of the Office of Ombudsman Sindh for the Province of Sindh Act, 1991, do hereby direct the Managing Director, KW&SC:

- (i) To ensure that either suitable alternative accommodation is allotted to the complainant on a priority basis, or necessary repairs are carried out immediately to make the existing quarter habitable.
- (ii) In case the demolition was indeed undertaken by KDA, the KW&SC should formally approach the concerned authority to carry out or bear the cost of required repair/ restoration work.
- (iii) The matter may be treated as urgent, keeping in view the complainant's family circumstances.
- (iv) Compliance report may be submitted to this office within **30 days** from receipt of this communication.

*Given under my hand and seal of office.*
