Subject : **ALLEGED MISBEHAVIOUR OF OFFICIAL OF GOVERNMENT SECONDARY SCHOOL NASIR COLONY AND NON-GRANT OF ADMISSION TO YOUNGER SISTER OF THE COMPLAINANT.**

COMPLAINT

Ms. Kiran Kanwal filed a complaint seeking intervention of this office regarding the alleged non-grant of admission to her younger sister and misbehaviour by officials of Government Secondary School, Nasir Colony, Korangi.

PROCEEDINGS

2. The Incharge Headmaster, Government Boys Secondary School, 2-B Nasir Colony, Korangi, filed a report on 23.10.2025 stating that the academic session had commenced in May 2025, whereas the complainant approached the school in October 2025 seeking admission of her sister in Class IX. By that time, the enrolment forms had already been submitted to the Board of Secondary Education, Karachi.
3. It was further explained that as per Board rules, a minimum attendance of 75% is mandatory for appearing in the annual examinations. Granting admission at that belated stage would have made it impossible to meet the attendance requirement, and therefore, the request for admission was regretted.

FINDINGS

4. The record shows that the complainant sought admission for her sister several months after the commencement of the academic session, when the enrolment process had already been finalized and submitted to the Board. The explanation provided by the Headmaster appears reasonable and in accordance with prescribed academic regulations.
5. As regards the allegation of misbehaviour by school officials, no evidence or corroborating statement has been provided by the complainant to substantiate the same. The report submitted by the Headmaster does not indicate any incident of misconduct or discourteous behaviour.

6. However, the matter does indicate a communication gap between the school management and the complainant, which may have contributed to misunderstanding. The school authorities are nonetheless expected to maintain courteous conduct while dealing with parents and students, and to provide proper guidance in such situations.

DECISION

7. In view of the above findings, it is concluded that the refusal of admission was justified in light of the academic calendar and Board regulations. The allegation of misbehaviour is not substantiated. However, I, in exercise of powers vested in me under Section 11 of the Establishment of the Office of Ombudsman for the Province of Sindh Act, 1991, ***hereby direct the Headmaster may ensure that all staff members maintain polite and cooperative conduct with students and parents. And the complainant is advised to apply for admission of her sister in the next academic session well in time.***

Given under my hand and seal of office.
