Subject : **CORRUPT AND MALPRACTICES OF MEDICAL OFFICER AND STAFF OVER THE MAINTENANCE OF INDOOR PATIENTS' RECORDS AT GAMBAT INSTITUTE OF MEDICAL SCIENCES.**

THE COMPLAINT:

Mr. Naimatullah Shaikh, filed a complaint on 11.11.2019, accusing Dr. Anees Channa, Medical Officer, and his staff at Gambat Institute of Medical Sciences of receiving illegal gratification for showing criminals as admitted / indoor patients in the hospital's indoor patient records. Substantiating his allegation, the complainant alleged that one Ajeeb Ali S/o Muhammad Hassan Lakho, a known blackmailer and criminal, was fraudulently shown as indoor patient in the relevant record for the period from 12.09.2019 to 15.09.2019. The complainant sought an independent inquiry against such practices of giving protection to the criminals.

PROCEEDINGS:

02. Delay condoned. The complaint was admitted. Notice issued to the District Health Officer, Khairpur on 13.12.2019 for filing comments / report. In response, an inquiry report conducted by Dr. Abdul Jaleel Shaikh (the then THO Gambat) and Dr. Qadam Ali Jamro (the then Medical Superintendent, RHC Ranipur) was submitted on 23.04.2025 by the office of the DHO, Khairpur.

03. The inquiry committee in its inquiry report identified 03 fake entries in the record. However, they didn't find any record of admission of Ajeeb Ali as indoor patient in Indoor Registers of Emergency or Neurology Wards during the period of 12.09.2019 to 16.09.2019. The findings of the committee are summarized as follows:

- i. Finding of fake indents at serial number 625 for medicine provision;
- ii. Missing of Indent books bearing Serial No. 2412, 2415 & 2416 in Emergency and in Neurology Ward;
- iii. Non availability of these indents in Central Medicines Store from where the medicines were supposed to be issued;
- iv. Denial of allegations by the Dr. Anees Channa, Staff Nurse Rabel & Dispenser Abdul Qadeer Shaikh against whom the corrupt practices were alleged by the complainant;

- v. The conclusion drawn by inquiry officers about removing / stealing of such indent slip from the original indent books which are misplaced and subsequently misused by someone with malafide intention.

04. The inquiry report was shared with complainant on 23.07.2020, who in his rejoinder filed on 16.12.2020 expressed his dissatisfaction over the inquiry report and again labeled allegations against Dr. Anees Channa, Staff Nurse Rabel and Dispenser Abdul Qadeer Shaikh for their involvement in issuing fraudulent indoor patient slips to Ajeeb Ali, in consideration of illegal gratification. The complainant requested for a thorough inquiry.

05. On 17.07.2025, the Hospital (which is now part of Pir Abdul Qadir Shah Jillani Institute of Medical Sciences) Gambat was visited by the Investigating Officer. During the visit, Medical Superintendent, Dr. Qadam Ali Jamro, informed about destruction of hospital's record during 2022 floods. Dr Jamro, further stated that the inquiry officer apprised him about the findings of the committee and produced the record which was available with them or collected by them during the course of inquiry.

06. Upon examination of the available records including such four indent slips, which didn't bear signature of authorized officers/doctors, but were purportedly signed by a Staff Nurse and the Ward Incharge, which made them invalid and suspicious. From the bare perusal of such slips it can safely be concluded that the same have been torn off from the original books for fraudulent uses. The name of Dr. Anees Channa the then Duty Doctor appeared to be written in the slip later on to malign him. It reflected weak administrative oversight.

FINDINGS:

07. Based on the available record, it is concluded that the four indent slips which had earlier been torn off from the original books were used maliciously. Non-bearing the signature of the issuing authority made them invalid. The name of Dr. Anees Channa was apparently misused by the culprits / unscrupulous individuals who got access to such records. Misplacing of original records shows weak and un-effective supervision and control of hospital's management.

DECISION:

08. In view of above and in exercise of powers conferred under Section 11 of the Establishment of the Office of Ombudsman for the Province of Sindh Act, 1991 (as amended), the **Director, Pir Abdul Qadir Shah Jillani Institute of Medical Sciences, Gambat**, is hereby directed:

- i) To ensure strict overseeing in the daily affairs of hospital business;
- ii) To safeguard the indoor and outdoor patients' record by keeping them in safe custody to avoid recurrence of such incident in future.
