The complainant had frequently approached the concerned agency for redressal of his grievance but to no avail. Aggrieved by that, he solicited the intervention of this Institution.

In response, he submitted a report dated 19-05-2025 on a complaint seeking registration of an FIR for alleged theft. During inquiry by SDPO Sanghar, both parties were summoned and their statements recorded. The applicant claimed that while he was away for medical treatment, the lock of his rented house was broken and Rs. 70,000 cash along with gold earrings were stolen, alleging involvement of the opponent and his sons. In response, the respondent stated that the house was rented to the applicant, who had failed to pay rent, and alleged that the complaint was lodged in retaliation after he asked the applicant to vacate the premises. The SHO, PS Sanghar confirmed that the applicant had not approached the Police Station for FIR registration. Upon examination, it was observed that the matter appears to be a tenancy dispute, the theft allegations remain unsubstantiated due to lack of evidence, and the allegation of bribery against police officials was found baseless.
