FINDINGS

8. In view of the above facts following findings are concluded:

- i). It appears that on same issue, the complainant had already filed complaint dated 27.09.2024 which was disposed of due to non-prosecution.
- ii). In Form 'A' attached with the instant complaint, he did not mention that he had earlier filed complaint and what was its outcome?
- iii). According to the Section 76 (1) of the Sindh Local Government Act 2013, a Council shall prepare and implement development plans. The section 78 (2) of the Act *ibid* provides, "*the preparation of plans and estimate for works to be executed by the Council*".

The Chairman, Union Council Jando Rajper has stated in his report dated 26.01.2026 that the complainant may be advised to approach the Union Council Chairman through his elected Councilor who may advise the Chairman or approach to the District Councilor elected from the Union Council Jando Rajper where budget is fixed for development of the Union Council.

DECISION

9. Given the above reasons, I, in exercise of powers vested upon me under Section 11 of the Establishment of the Office of the Ombudsman for the Province of Sindh Act, 1991 dispose of the case without formal orders with directions to the complainant to submit application, if he thinks appropriate, to the Union Council/ District Council for carrying out development work in his village.
