

DECISION

Complaint No. : POS/CH/3722/2024(MT)71/R.thar/2024/J-39

Name and address of the complainant : Mr. Nizam Din,
R/o. U.C. Siyar, village Jogi Vero, Taluka Dahili,
District Tharparkar.

Name of the Agency Complained against : School Education & Literacy Department

Name & Designation of Investigating Officer :

Vetted by : Dr. Syed Sharaf Ali Shah, Advisor-J

Subject : **COMPLAINT REGARDING ALLEGED DISCRIMINATION IN MAKING GIRLS PRIMARY SCHOOL OF UNION COUNCIL SIYAR, FUNCTIONAL IN DISTRICT THARPARKAR.**

COMPLAINT

Mr. Nizam Din filed a complaint dated 26.08.2024 regarding the alleged discrimination in the functionalization of Government Girls' Primary Schools in Union Council Siyar, District Tharparkar. Despite approaching the concerned authorities, no response was given. He highlighted the high dropout rate among girls and the non-issuance of permanent SEMIS codes for few recognized schools. He further contended that under the centralized placement plan of the School Education & Literacy Department (SE&LD), boys' schools were staffed, whereas girls' schools remained non-functional. He, therefore, sought the intervention of this Institution.

PROCEEDINGS

2. The complaint was admitted under Section 10 of the Establishment of the Office of Ombudsman for the Province of Sindh Act, 1991 (as amended to date), subject to submission of the mandatory Affidavit on Form "A" and a copy of the CNIC. The delay in filing the complaint was condoned.
3. The matter was taken up with the School Education Department on 05.09.2024 through multiple hearings and correspondence. The District Education Officer (Primary), Tharparkar (Mithi), submitted a report dated 15.11.2024, regarding the closed/teacher-less girls' schools of Taluka Dahli, namely:

- i) GGPS Dhanyakar (T.ID 30600025)
- ii) GGPS Imam Ali Mohalla Jogivero (T.ID 30600024)
- iii) GGPS Haroon Ji Dhani (T.ID 30600029)
- iv) GGPS Muhammad Khan Paro (T.ID 30600026)

(Continued at P/2)

4. It was reported that several posts of Primary School Teachers are lying vacant in Taluka Dahli. No eligible female candidates who passed the IBA Sukkur test were available for posting. The schools may be made functional after fresh recruitment. Directions were issued to the concerned Taluka Education Officer to submit feasibility reports for construction of school buildings. It was further stated that a report had already been submitted to the Regional Director (Mohtasib), Regional Office Tharparkar, on 15.10.2024.

5. A subsequent report dated 12.06.2025 submitted by the District Education Officer (Primary), Tharparkar (Mithi), stated that out of 64 sanctioned posts of female Primary School Teachers in Taluka Dahli, only 28 posts are filled, leaving 36 vacant. No eligible female candidates are presently available. The schools may be made functional after fresh recruitment. Directions have also been issued to submit feasibility reports for construction of buildings.

REJOINDER

6. In his rejoinder dated 02.07.2025, the complainant stated that the literacy rate of District Tharparkar is 26%, significantly lower than the provincial average, with girls being particularly affected. He emphasized that there are no alternative girls' schools in the concerned villages. While acknowledging the official report, he requested permission to run the schools on a volunteer basis at the expense of the villagers until government teachers are appointed and permanent SEMIS codes are allocated.

FINDINGS

7. Based on available record:

- i) The subject 04 Government Girls' Primary Schools in Union Council Siyar, Taluka Dahli, District Tharparkar are non-functional due to a shortage of female teachers. In Taluka Dahli out of 64 sanctioned posts, only 28 are filled, leaving 36 posts vacant, which has adversely affected access to primary education for girls.
- ii) The concerned department has stated that no eligible female candidates who passed the IBA Sukkur test are currently available for posting. However, this administrative constraint cannot justify the prolonged closure of girls' schools in a district with a significantly low literacy rate.
- iii) Considering that the literacy rate of District Tharparkar is about 26%, the continued non-functionality of girls' schools contributes to dropout rates and gender disparity. The complainant's proposal to allow temporary volunteer teachers appears to be an interim measure to ensure continuity of girls' education, subject to compliance with the relevant rules and policies.
- iv) It is also noted that feasibility reports for construction of school buildings have been sought from the concerned Taluka Education Officer. However, no definite timeline has been provided for opening or functionalizing the subject schools.

DECISION

8. In view of the above, and in exercise of the powers vested in me under Section 11 of the Establishment of the Office of Ombudsman for the Province of Sindh Act, 1991 (as amended to date), I hereby direct the Secretary, School Education & Literacy Department, Government of Sindh, Karachi, to ensure that:

- (i) The recruitment and posting of female Primary School Teachers in Taluka Dahli against the vacant sanctioned posts are expedited;
- (ii) Necessary steps are taken to ensure that the identified girls' primary schools are made functional at the earliest;
- (iii) The feasibility of allowing temporary volunteer teachers, under proper supervision and without financial liability upon the Government, is examined strictly in accordance with law and policy until regular appointments are made;
- (iv) Allocation/retention of SEMIS codes for the subject schools is ensured to prevent their deletion from the official record, subject to the fulfillment of codal formalities; and
- (v) Feasibility reports for the construction of school buildings are obtained from the concerned Taluka Education Officer, and a definite timeline is provided for reopening and functionalizing the subject schools.

9. The compliance report of this Order shall be furnished within 90 days hereof.

"Given under my hand and seal of office"
