

DECISION

Complaint No. : POS/3413/2022/37/G

Name and address of the complainant : Mr. Ali Farman,
R/O House No. B-24/15, Qayummabad,
Karachi.

Name of the Agency Complained against : Karachi Water and Sewerage Corporation

Name & Designation of Investigating Officer : Dr. Imtiaz Bhatti
Director General-II

Vetted by :

Subject : **COMPLAINT AGAINST SUPPLY OF
CONTAMINATED WATER DUE TO BROKEN
SEWERAGE LINE.**

COMPLAINT:

Mr. Ali Farman filed a complaint on 22.06.2022 regarding the supply of contaminated water due to broken sewerage line in his area. The complainant therefore solicited our intervention.

PROCEEDINGS:

The report was called from the KW&SC on 21.07.2022. The agency in its report, dated 19.10.2022, informed that the KW&SC's 33" Bulk Water Line, in Malir River bed was damaged due to industrial waste, but it has been repaired now.

The matter was subsequently taken up several time by this office to address the complainant's grievance. According to the agency's latest report (dated 03.10.2025), contamination occurs as the bulk water line passes through the Malir River, where untreated industrial waste flows over it, causing contamination through leakages. But whenever damage or leakage is detected, the KW&SC team promptly undertakes remedial and repair works from time to time.

The complainant was sent letters dated 20.10.2025, 25.11.2025, and 11.12.2025 for submission of a rejoinder, which he failed to submit.

FINDINGS:

The contamination occurs as the bulk water line passes through the Malir River, where untreated industrial waste flows over it, causing leakages. According to the agency's report, whenever any damage or leakage is detected, the KW&SC promptly carries out repair work. As the complainant failed to submit a rejoinder despite repeated letters, it is presumed that the matter stands resolved.

DECISION:

In view of the above, I hereby declare that the complaint stands resolved and consigned to record.

Given under my hand and seal of office
