Subject : **COMPLAINT REGARDING DELAY IN REPAIR
OF DAMAGED WATER LINE IN THE AREA OF
COMPLAINANT, ANSARI MANZIL
MITHADAR.**

COMPLAINT:

Mr. Hashaam Ansari filed a complaint on 31.07.2024 regarding delay in repair of damaged water line in the area of complainant, Ansari Manzil, Mithadar. The Complainant, therefore, solicited our intervention.

PROCEEDINGS:

The report was called from agency on 27.08.2024. In the report dated 06.11.2024, the agency stated that the complainant's water line was damaged during SSGC works in the area. KW&SC staff attempted to contact the complainant to identify the water connection but were unsuccessful. The agency further clarified that the service pipeline is the responsibility of the complainant, who must lay the pipeline up to the KW&SC connection point, after which the water supply will be restored and the complaint will be resolved.

The agency's report was forwarded to the complainant on 14.11.2024 for submission of a rejoinder and further coordination with the agency; however, the complainant failed to respond. Subsequently, reminders dated 28.11.2024 and 11.12.2024, followed by a final notice dated 10.01.2025, were also issued, but no response was received.

FINDINGS:

As the complainant did not coordinate with the agency or with the Ombudsman's Office, it is presumed that he is no longer interested in pursuing the case further.

DECISION:

In view of the above, the complaint is hereby disposed of and consigned to record.

Given under my hand and seal of office
