Subject : COMPLAINT REGARDING DILAPIDATED
CONDITION OF BRIDGE ON MOOSA ALLAHABAD
SHAKH

Complaint:

Mr. Raees Amanullah filed his complaint dated 9.5.2022 about the dilapidated condition of bridge on Moosa Allahabad Shakh, which is leading to village Sher Khan Buriro. He therefore requested this Institution to intervene in the matter.

Proceedings:

2. The complaint admitted u/s 10 of the Establishment of the Office of Ombudsman for the Province of Sindh Act, 1991, was taken up with the concerned Offices for comments. The Executive Engineer, Machinery Maintenance Division Khairpur @ Shikarpur vide his office letter dated 10.5.2023 reported that the Notice Inviting Tenders has been issued by Executive Engineer (Irrigation) Kandhkot Division @ Garhi Hassan Sarki for the reconditioning of bridge through Scheme "Construction of road bridges at RD-44 of Fall Garhi Hassan Branch near Daur in Fall Garhi Hassan Sub-Division". He enclosed copy of the same as evidence.

3. This report of the Agency dated 10.5.2023 was sent to the complainant vide this office letter dated 20.6.2023 for rejoinder. Subsequently the matter was again referred to the agency to intimate progress report about the repair of Sonheri Sarak Road upto the village of complainant. The complainant through his rejoinder dated 15.11.2023 disagreed with the comments of the Agency and requested for a site visit. Accordingly, the Investigating Officer conducted site visit on 28.11.2023 to ascertain the on-ground position, but none of the officials were present on the site. However, the Executive Engineer, Begari Division Thul vide his office letter dated 8.1.2024 reported that he has visited the site along with the concerned AEN and observed that the bridge across Allahabad Moosa Branch RD-53 was constructed by the Works & Services Department which has now deteriorated and the slab of the bridge has been damaged. He further stated that with the permission of Works & Services Department, the RCC slab of the bridge has been rehabilitated. He further stated that since the flank walls were not developed at the time of construction of the bridge, the approaches of the bridge have been damaged and mere earth work would not suffice to mitigate the problem. Later the Executive Engineer, Machinery Maintenance Division Khairpur @ Shikarpur vide office letter dated 9.12.2024 reported that this bridge was constructed by the Irrigation Department, and that the estimate of Maintenance & Repair of this two kilometer road from Rahber Chowk to Sher Khan Buriro via Police Station, Taluka Hospital and village Moosa Allahabad Taluka Thul District Jacobabad amounting to Rs.47.469 million has been submitted by the Executive Engineer, Machinery Maintenance Division Khairpur @ Shikarpur to the Deputy Commissioner, Jacobabad for execution under special M&R programme under the head of account "SC-21132(132)." On seeking report, the Additional Deputy Commissioner-II Jacobabad vide office letter dated 28.11.2025 reported that these estimates will be considered by the District Oversight Committee for execution in the financial year 2026-27.

Decision:

4. I therefore, in exercise of power vested in me under Section-11 of Establishment of the Office of Ombudsman for the Province of Sindh Act 1991 hereby direct the Deputy Commissioner, Jacobabad to include the scheme for construction of bridge of Moosa Allahabad Shakh and road upto village of complainant i.e. Sher Khan Buriro in the Annual Development Program 2026-27 keeping in view the policy of Government of Sindh in this regard and a progress report be submitted within six months, hereof under intimation to this office.
