COMPLAINT

Mr. Muhammad Salik Dehraj, resident of village Karim Dino Dahraj, Taluka Bhiria lodged a complaint on 20.01.2020 stating therein that he owns and possesses agricultural land in Deh Tharushah, admeasuring 25-00 acres cultivated from Darbelo Minor Water Course R-5, Taluka Bhiria, District N'Feroze. He alleged that the Abdar Inayet Solangi of Irrigation Department had illegally decreased his share of water in violation of approved share list. He approached the said Abdar as well as concerned authorities but his grievance was not resolved. He, further alleged that the said Abdar had put illegal pipes on Darbelo Minor after receiving bribe. He, therefore, requested for supply of water to his land as per old share list of water course R-5.

PROCEEDINGS

2. The complaint was admitted u/s 10 of the Establishment of the Office of Ombudsman for the Province of Sindh Act, 1991 (amended up to date) and taken up with the Executive Engineer (Irrigation), Rohri Division, Kandiaro vide letter dated 12.02.2020 followed by reminders and hearing notices. Subsequently, during the hearing fixed on 03.02.2021 attended by the Executive Engineer, Canal Assistant and the complainant, the matter was discussed in detail. The representatives of the Agency submitted copies of certain documents and stated that the complainant was not a khatedar of water course No.5-R, ex-Darbelo Distributory and Khatedar Abdul Rauf son of Laik Dehraj was satisfied with share list duly signed by him on 24.07.2015 according to which water was being supplied to his land from Sunday night to 6.00 a.m. as per schedule. Further, perusal of documents reveals that the complainant had filed petition before the

Session Judge/ex-officio Justice of Peace, N'Feroze against Inayat Ali Solangi, Abdar for registration of FIR u/s 506/2 and 427 PPC which was registered under directions of the Court at PS Tharushah bearing Crime No.27/2018. The said FIR being false was disposed of by the Civil Judge and Judicial Magistrate-II vide order dated 30.03.2018 in 'B' class. On 18.08.2025, during the course of hearing, the Executive Engineer submitted copy of revised share list 2024-2025 dated 04.01.2025 but the complainant expressed dissatisfaction. He was advised to submit objections, if any, on the next date of hearing. On 02.10.2025, the Executive Engineer appeared and informed that grievance of the complainant regarding preparation of share list and supply of water during day time had been redressed. He was accordingly directed to submit report in writing. On 10.10.2025, the Executive Engineer submitted that the working share list of water course 5-R, ex-Darbalo distributory stood implemented at site and as per request of the complainant, time of water supply was changed from night to day. He also submitted original statement of Zamindars bearing their signatures showing settlement between the parties in the matter. The said statement also bears signature of the complainant's father Abdul Rauf who was actual khatedar. From the above, it is clear that grievance of the complainant regarding supply of water as per revised share list has been resolved. On the other hand, the complainant has not been attending hearings despite intimation which shows that he has lost interest in the matter. The last date of hearing was 25.11.2025 but he failed to appear while representatives of the Agency have been appearing before the Investigation Officer regularly.
