Subject : PAYMENT OF COMPENSATION FOR RESIDENCE DEMOLISHED FOR WIDENING OF GUJJAR NALA.

COMPLAINT:

Mst. Nargis Sultana filed her complaint on 28.1.2022 about compensation not being paid after demolition of her house No. 4/3-B, Liaquatabad, for the widening of Gujjar Nallah, through four IDs No. 970, 969, 968 and 964. She further stated that ID No. 964 was wrongly attributed to her name and as such she did not accept the compensation for this ID. She requested for the intervention of this Institution.

PROCEEDINGS:

2. After admitting the complaint for investigation under Section 10 of the Establishment of the Office of Ombudsman for the Province of Sindh Act 1991, it was referred to the Additional Director (Katchi Abadies), Karachi Metropolitan Corporation, the Assistant Commissioner Liaquatabad Town, for report, but there was no response initially.

3. The Assistant Commissioner, Liaqaatabad Sub-Division, Karachi Central, vide his letter No. A.C/L/ABAD/92/2023 dated 18.4.2023 stated that the data from already marked houses by the KMC Katchi Abadies was the domain of KMC Katchi Abadies, he also stated that rental support payment cheque in the name of Mst. Nargis Sultana on the ID 964 is ready, but the complainant Mst. Nargis Sultana did not collect the cheque.

4. In her rejoinder to this report the complainant Nargis Sultana disagreed with the contention of the Assistant Commissioner, Sub-Division Liaquatabad, Karachi Central, She again requested that the concerned authorities be directed to take action as per order sheet of Supreme Court and compensate her for demolition carried out for IDs No. 969 and 970.

5. In a hearing held on 12.11.2025 attended by the Additional Deputy Commissioner-II and Senior Director, Katchi Abadies Department, Karachi Metropolitan Corporation, it was decided that the officials will identify the premises related to ID's No. 969 and 970 and report about the claim of the complainant.

Contd.....P/2.....

7. In the hearing held on 15.1.2026, both the agencies reported that the IDs No. 969 and 970 exist and demolition has also been carried out, but the claim of the complainant for these two ID's could not be established. They also reported that the addresses of the properties related to these two ID's are not available. The process of identification of relevance of complainant to these two ID's can now only be taken up on the orders of the Supreme Court, through the Commissioner's Officer for which the complainant had to lodge a request.

8. The complainant was called on 6.2.2026 and heard in presence of Focal Person, Nallah Project, Karachi Metropolitan Corporation. The Focal Person accepts that the front portion of the complainant's houses have been

demolished and probably these two ID's 969 and 970 apply to these demolitions, but since necessary claim was not processed in the beginning, these two ID's cannot be declared to be relevant to the complainant. Further the complainant stated that they had approached the Commissioner's Office, but their request was not accepted stating that the last date has passed.

FINDINGS:

9. From the above proceedings it is clear that the probability of demolitions carried out on ID. No.969 and 970 are relevant to the complainant Nargis Sultana, but she was not able to file her claim in the earlier stage nor she could avail the opportunity granted by the Supreme Court to file claims in the office of Commissioner Karachi.

DECISION:

10. As such, I, exercise of powers vested in me under Section 11 of the Establishment of the Office of Ombudsman for Province of Sindh Act, do hereby direct the Commissioner Karachi to provide relief to the complainant on merits and as per law as and when further orders from the Supreme Court are received.

"Given under my hand and seal of office".
