

DECISION

Complaint No. : POS/1239/2023/DG-II/KR

Name and address of the complainant : Mr. Yousuf Ali,
R/o. House No. 287, Sector 32/B,
Korangi No.1 ½, Karachi

Name of the Agency Complained against : KW&SC

Name & Designation of Investigating Officer : Mr. Muhammad Shoaib Ahmed Siddiqui,
Advisor-in-Charge, R.O Korangi

Vetted by : Mr. Ghulam Abid Shaikh,
Advisor-K

Subject : **ALLEGED NON-SUPPLY OF PIPED WATER IN THE AREA OF THE COMPLAINANT.**

COMPLAINT

Mr. Yousuf Ali filed the instant complaint on 14.02.2023 stating that he had been facing persistent piped water shortage in his locality and that there was no regular water supply in the area. Despite repeated complaints to the concerned authorities, the issue remained unresolved. Being aggrieved, he sought the intervention of this institution.

PROCEEDINGS

2. The complainant and representatives of the Agency appeared before the Investigating Officer on various dates of hearing. The Agency was directed to conduct site inspection, ascertain the causes of the issue and take remedial measures. The Agency was also directed to expedite the work and redress the grievance of the complainant. During the course of proceedings, it was informed that a new water supply pipe line is being laid in the area.
3. A final hearing in the matter was conducted on 03.12.2025, wherein the AEE, Korangi Town (W/D), KW&SC, informed in the presence of the complainant that a new line had been laid in the area. However, due to variation in height, the water was not reaching the residence of the complainant. The complainant who was present expressed dissatisfaction as supply was not being received at his home.
4. The Agency also submitted a letter dated 03-12-2025 stating that the water supply pipe line had been installed together with that a stand post connection had been provided to the complainant.

FINDINGS

5. The record reflects that although a new water supply pipe line has been laid but water is not reaching the residence of the complainant due to a technical issue. Although a stand post connection has been provided, the grievance of the complainant cannot be treated as fully resolved unless effective and regular water supply at his residence is ensured.

DECISION

6. In view of the above and in exercise of powers vested under Section 11 of the Establishment of the Office of Ombudsman for the Province of Sindh Act, 1991 (as amended up to date), *I do hereby direct the Chief Engineer (Water), KW&SC, shall take immediate corrective measures to address the technical issue and ensure regular water supply to the residence of the complainant and report compliance within thirty (30) days, herein of.*

Given under my hand and seal of office.
