

DECISION

Complaint No. : POS/3126/2025/Adv-M

Name and address of the complainant : Mr. Saqib Muhammad Khan son of Muhammad Khan, r/o House No. 166, Block-II, Tarachand Road, Keamari, Karachi

Name of the Agency Complained against : Karachi Metropolitan Corporation

Name & Designation of Investigating Officer : Mir Hussain Ali
Advisor-M

Vetted by :

Subject : TRAFFIC CONGESTION FROM NATIVE JETTY BRIDGE TO KPT GATE-1.

COMPLAINT:

Mr. Saqib Muhammad Khan filed his complaint dated 3.7.2024 against the Karachi Metropolitan Corporation, Karachi Police, and the district administration, about chronic traffic congestion from M T Khan Road to Native Jetty Bridge and onwards to the KPT gates, causing regular inconvenience to the residents of Keamari. He requested the intervention of this Institution.

PROCEEDINGS:

2. The complaint admitted under section 10 of the Establishment of the Office of Ombudsman for the Province of Sindh Act 199, was referred to the Deputy Inspector General of Police Traffic for report who vide his letter No. DIGB/Traffic/RDR/(4123B)/2869-71 dated 13th August 2024 reported, that there are two main ports/terminals PICT and KGLT located in the jurisdiction of Jackson Traffic Section, where movement of heavy goods vehicles, to and from, all parts of Pakistan occurs round the clock. He further stated that due to some technical issues at the entry gates of the ports and because of parking space not being available inside the terminals, long heavy vehicles are parked outside the gates of these terminals for long periods. He also stated that regular efforts are made to improve the situation and action against traffic violations is also taken. The DIG further stated that the complainant Saqib Mohammad Khan was also contacted, who stated that his problem has been resolved

3. In a hearing held on 7th January, 2026, which was attended by the Legal Head of Karachi Port Trust, and the DSP Traffic Jackson, the DSP reported that due to the proper deployment of Traffic Police and ensuring parking of heavy vehicles on one side of the road, leaving passage for normal traffic to move, the situation is under control, except for the period when heavy traffic starts to move within the city at 10 pm, but slowly the rush is streamlined.

4. The Manager Legal Affairs, KPT, highlighted that besides the huge quantum of traffic of heavy vehicles moving in and out of the terminals, there is very heavy traffic moving to Keamari and other areas in the vicinity also. He stated that the width of the road is narrow, which is further affected due to the parking of heavy vehicles and other encroachments. He also stated that KPT has no role in the control of traffic on this road and the police is solely responsible for this issue.

Contd.....P/2.....

FINDINGS:

5. From the above proceedings it is clear that the grievance of the complainant is genuine and represents the hardship which thousands of citizens undergo in this area on a daily basis. It is also evident that the KPT cannot absolve itself of the responsibility for this chaos and lawlessness, because the traffic complained about pertains to the commercial activity being handled by KPT inside the terminals. It is for them to improve the procedures to handle entry and loading / unloading and parking within the Terminals, which will help in decreasing the problems on the road outside the Terminals. At the same time the district administration and the police are responsible to coordinate with KPT and the Transport Associations and other agencies on a regular basis to improve the situation.

DECISION:

In view of the above findings, I, under section 11 of the Establishment of the Office of the Ombudsman for the Province of Sindh Act, 1991, hereby direct the Deputy Commissioner Keamari to attend to this issue and coordinate with KPT and Traffic Police and prepare an effective action plan and implement the same, and to submit a progress report in this regard to this Office within six weeks positively.
