The above complainants stated that they were poor persons and could not afford to purchase Solar Plates, Fans, Batteries and Hand Pumps. They, therefore, requested that the concerned authorities may provide the required facilities to them from the budget as allocated for this purpose by the Government of Sindh.

PROCEEDINGS

2. The complaints were admitted u/s 10 of the Establishment of the Office of Ombudsman for the Province of Sindh Act, 1991 (amended upto date) and after completion of requisite formalities, the same were taken up with the concerned Chairman and U.C. Secretary for reports who informed vide letters received on 18.02.2026 that the complainants had refused to receive solar plates. Later on, the complainants were called and they verbally demanded other items also alongwith solar plates, for which funds were not available.

In the light of the above report of the Agency, the complainants were called for hearing by the Investigating Officer but they refused to give their stance in writing. Therefore, it would be a futile exercise to proceed further in the matter and the complaints need to be closed as non- maintainable.

DECISION

3. In view of the above, these complaints are disposed of as non-maintainable.

Given under my hand and seal of office.
