BEING REGISTERED IN SURVEY CONDUCTED
BY THE NRSP.**

THE COMPLAINT:

The complainant vide a complaint dated 13.10.2025 alleged that despite her registration in the survey conducted by the NRSP, she was not provided with asset's assistance in the shape of cattle by the respondent agency.

PROCEEDINGS:

2. The complaint was admitted under Section 10 of the Act and forwarded to the respondent agency for submission of comments.
3. The NRSP in its report dated 18.11.25, informed that it is a company limited and operates as an Association not for profit. Now, it is working on a project titled National Poverty Graduation Programme (NPGP) in collaboration with the Federal Government, financed by the Poverty Alleviation and Social Safety (PASS) Division, Government of Pakistan, Islamabad.
4. For implementation of the programme, it conducted surveys to identify the deserving peoples/ families and enlisted them including the complainant lady, so as to distribute assets for reduction of poverty.
5. The report further states that the distribution of productive assets was target-oriented and limited to predefined quotas; therefore, it was not feasible to provide cattle to every enlisted beneficiary. The programme was concluded in February 2024 upon achievement of its stipulated targets. All remaining enlisted families were duly informed about the closure of the programme.
6. However, upon receipt of the instant complaint from the office of the POS, the complainant was contacted again and assured that her case would be considered in the event of commencement of the second phase of the programme.

FINDINGS:

7. The record reflects that the respondent NRSP is a no loss no profit company, registered under the Companies Act and engaged with the poverty reduction project, funded and supervised by the Federal Government. In terms of the governing statute of the Provincial Ombudsman, grievances pertaining to Federal Government Ministries, Divisions, or agencies fall outside the jurisdiction of this Office.

The complainant, if still aggrieved, may seek appropriate remedy from the concerned Federal authorities, including the Poverty Alleviation and Social Safety Division, Government of Pakistan, Islamabad, or any other competent forum under the relevant federal framework.

DECISION:

9. In view of the foregoing discussion, the complaint is disposed of as closed for want of jurisdiction.
