Subject : **COMPLAINT REGARDING SHORT SUPPLY OF  
WATER SINCE EID UL FITER IN AREA OF THE  
COMPLAINANT.**

### **COMPLAINT:**

Mr. Irfan Ahmed Rind filed a complaint, received through the Wafaqi Mohtasib (Ombudsman)'s Secretariat on 29-06-2022, regarding the shortage of water in his neighborhood. The complainant, therefore, solicited our intervention.

### **PROCEEDINGS:**

1. The report was called from KW&SC. In response dated 10.12.2024, the Executive Engineer (Water), Shah Faisal Town, KW&SC reported that the Distribution Department had already laid down the pipes and the PC-1 was forwarded for the approval to install the motor and the construction of the tank to complete the work and start the supply of water.
2. The matter was continuously followed up by this office, resultantly the Executive Engineer (Water), Shah Faisal Town, submitted a report on 06-03-2024 stating that the complaint has been resolved and the complainant is receiving potable water. The joint hearing was held on 23-07-2024, during which the agency confirmed completion of the work, and the complainant accepted the same, with a minor observations regarding the connecting slope of the water pipe.
3. The report was forwarded to the complainant. However, complainant has failed to respond despite reminders. It is therefore, presumed that after redressal of the grievance, he has lost his interest.

### **FINDINGS:**

4. The grievance regarding water shortage was addressed by the Executive Engineer (Water), Shah Faisal Town, who confirmed the installation of new pipeline and installation of motor and tank. By March, 2024, the complainant was receiving potable water and, during the joint hearing in July, 2024, he acknowledged service improvement, except a minor concern about the pipe slope. It is evident that the complainant has been connected to the main supply line and receiving adequate water, with improved pressure.

### **DECISION:**

5. In view of the above, the complaint stands resolved and consigned to record.
